Year 6	- Packed Lunches Just looking for new clarity of what is allowed and not allowed following the recent emails, and also what's being relayed to the kids during lunch. The recent changes surprised us as to what is no longer allowed, seeing as for time there have been no issues. - School Lunches Question if jacket potatoes can be put back as an option? - Swimming Pool update Whats the latest, and timings etc? - Walking To and From School Asking for clarification again on timings of when the year 6 class is allowed to walk home without being collected by parents, and also come to school independently. Summer term was mentioned which is fast approaching. Can it be at all earlier, seeing as they are getting more prepared now for secondary school (tests etc).

AOB	**SB** - A few years back you held a sleepover for years 5/6 (i think). Are you planning to run another? **Answer**: This is in Year 3 and 4 and we do this on alternative years with one year being the overnight stay for Years 3 and 4; the following year is the Residential trip for Years 5 and 6.
	SB - It would be great if the cook Emma had the ability to run it as an afterschool club in the future! **Answer:** Sadly, she does not have the hours and also it would be packed as a very popular choice; she supports cooking in classes
