Topic

We are working towards the silver level of the Rights of the Child Award.

We have to show that all children know the ten rights that we focus on in our school and that all rights are respected throughout the school.

Things to do:

- Y6 School Councillors will be focusing on the Rights of the Child during Tuesday class assemblies.
- Whole school Monday assembly.
- Me Time - Mrs Curtis will focus on Rights in rotation during fortnightly lessons.
- Weekly theme of one right
- The assessor will talk to some children and some adults during their visit.
- All Rights are on the school long term plan and linked to topics/lessons/subjects.
- Wednesday class assemblies will have a Rights focus.
- Council reps. - make sure Rights are discussed in classes
- Council reps for each class identify a 2 week right focus so that it is embedded in classes and feedback activities at school council meetings.

Our next meeting is Thursday 19th October 2023.
