Topic

Suggestions for a Rights Respecting Schools Display board. How could we organise it?

Suggestions from children – do a competition, share in their assembly time

We agreed that it would be easier to use the Tuesday assembly slot and they would supervise their class.

We then discussed which class would be linked to each right

Things to do:

- Y6 School Councillors will introduce the idea in their Tuesday assembly
- AS to organise paper for each class & design

Our next meeting is 1<sup>st</sup> February
