Topic

1. Welcome to Mrs Jones (school governor)  
Mrs Jones has agreed to be our governor rep for Rights Respecting Schools
2. Rights Respecting Board finished – do you think it needs to be changed e.g. in line with fortnightly assemblies?

Children thought that the board could be more noticeable.

They need to be more involved in setting up/changing the display.

3. How are the SC Rights assemblies going?

Overall the SC said they were going well, sometimes the younger children find the topic difficult to understand.

4. School Dinners! (Year 2)

Year 2 – as part of their assembly (You have the right to have your opinion heard) started a discussion around school dinners and things they would like to improve

Feedback – More ketchup, Cheese available with pasta, spaghetti please not pasta shapes with Spag. Bol. Could there be vegetable choice? We discussed portion size
