Agenda Items

Nursery 1 -

Nursery 2

Reception Class Hook

Homework

Reception Class Mohammad

None

Year 1 Robson

1. Communication

Year 1 Smith

1. Is anything being put in place for more bikes and scooters being brought into school? Especially with the new introduction of wheel days? It's been noted that bikes are having to be left on the floor in a pile at the moment.
2. Communication ahead of returning to school could have been better - delay in website being up to date, parents not knowing where to take children when arriving to school on the first day, delay in scopay being updated for meals to be ordered. General feedback was that there wasn't a lot of communication and it felt very last minute.
3. Parking issues - specifically what are the school considering to help with this given that it's gone from a 1 form entry to a 2 form entry so the intake will only be growing from here.
4. Do school clubs change each term?

Year 2

Funzone changes - when

Toileting in lessons

Homework books in class

Air conditioning - Year 2

Spelling test results

Lunch menu - system weekly

Year 3

Lunches - Pasta and JP change

End of term collection times - Nursery change?

New changes - admin matters end of term

School photos 7th for helpers

Year 4

Layout of pickups

Year 5

1. How wheels days work at lunchtime - timing etc as one parent said their child didn't get to do it either day last week due to timings

2. Start of term comms

Year 6

Walking to school etc..

AOB

1. Breakfast club
2. Walking bus/Parking
3. School Development Plan

Next meeting: 10.11.26, 9.30am Online teams meeting
