

Fieldwork (1) & Place (1)-Aut 1 (ASH)

- What is a town?
- What is a village?
- What is a city?
- Which village is Ash Grange in?
- Name 3 human features of Ash
- Name 5 physical features of Ash
- Name 2 ways Ash has changed over time

Locate (1) - Spr 2 (UK)

- What is the UK?
- Which countries make up the UK?
- Which country is Ash in?
- Describe the flag of each country
- What are the capital cities of each country in the UK?
- Which seas surround the UK?

Compare (1) Rio and Ash - Sum 2

- Which continent is Rio in?
- Is the UK in the same continent?
- Which ocean is closest to Rio?
- When you compare 3 human features of Ash and Rio, what is similar and what is different?
- When you compare the weather of Rio and Ash, what is similar and what is different?
- When you compare 3 physical features of Ash and Rio, what is similar and what is different?

GEOGRAPHY

Y1

Compare geography in different locations

Make maps and use symbols in a key

Use maps, globes, photos, plans and charts with grid references

Ask and answer questions using geographical words and knowledge

Learn how humans affect the world

Use the 4 points of a compass

Locate (2) - Aut 1 (CONTINENTS)

- What are the 7 continents of the world?
- What are the 5 oceans of the world?
- What is the Equator?
- Which continents have the Equator running through them?
- What are the North and South Poles?
- Where are the hot and cold areas of the world?

Place (2) & Fieldwork (2) - Spr 2 (GUILDFORD)

- Is Guildford a town, a village or city?
- Which UK capital city is closest to Guildford?
- What are the four main points on a compass?
- When you compare 3 human features of Ash and Guildford, what is similar and what is different?
- When you compare 3 physical features of Ash and Guildford, what is similar and what is different?

Compare (2) Sum 2 (WITTERING (Fieldwork (3) AND TENERIFE)

- Where is Wittering?
- What is the beach made from?
- Where are the Canary Islands?
- What is the difference between weather and seasons?
- How are the weather and seasons similar or different in Tenerife and Wittering?
- When you compare 3 human features of Wittering and Tenerife, what is similar and what is different?
- When you compare 3 physical features Wittering and Tenerife, what is similar and what is different?

Ask and answer questions using geographical words and knowledge

Learn how humans affect the world

Use the 4 points of a compass

Place (3) & Fieldwork (4) - Aut 2 (SURREY)

- What is a county?
- What county is Ash in?
- Name 4 towns in our county.
- How has Ash changed in the last 5 years?
- Have people had a positive or negative impact on Ash over the last 5 years?
- Compare 3 physical and human features of Ash to another place in Surrey

Compare (4)- Sum 2 (RIVER THAMES AND RIVER WEY (Fieldwork(5))

- How is a river formed?
- Where does the River Wey start and end?
- Where does the River Thames start and end?
- How are the River Thames and River Wey similar and different?
- How do humans use the River Wey and the Thames?
- What impact do humans have on the rivers?

Compare (3) - Spr 1 (COLUMBIA AND RUSSIA)

- Name the 2 hemispheres of the world.
- What are the Arctic and Antarctic Circles?
- Where are Russia and Columbia?
- What is a climate zone?
- What is a vegetation belt/biome?
- When you compare the climate zones of Columbia and Russia, what is similar and what is different?
- When you compare the vegetation belt of Columbia and the Russia, what is similar and what is different?

GEOGRAPHY

Use maps, globes, photos, plans and charts with grid references

Ask and answer questions using geographical words and knowledge

Learn how humans affect the world

Use the 8 points of a compass

Place (4)/Fieldwork (6) - Sum 1 (WINCHESTER)

- What are the 4 main types of settlements?
- What type of settlement is Winchester?
- Ash?
- How is land used in Winchester and Ash?
- How is Ash different from Winchester?
- How has Winchester changed over time?

Compare(6) - Spr 1 (MOUNT EVEREST AND SCAPELL PIKE)

- What are the world's 4 major mountain ranges?
- How do we show mountain ranges on a map?
- Where is Mount Everest?
- Where is Scafell Pike?
- How are mountains formed?
- How do humans use Scafell Pike and Mount Everest?
- What is the impact of tourism on mountains?
- How can we manage these impacts?

Compare (5) - Aut 2 (ROME AND LONDON)

- Where are Rome and London?
- What kinds of settlements are London and Rome?
- What and where are the Tropics of Cancer and Capricorn?
- What items and countries did Ancient Rome and Londinium trade with?
- What is a supply chain?
- What items and countries do Rome and London trade with today?
- How has trade changed over time?
- When you compare human and physical features of London and Rome, what is similar and what is different?

GEOGRAPHY

Ask and answer questions using geographical words and knowledge

Learn how humans affect the world

Use the 8 points of a compass

Locate (3) - Spr 1 (ICELAND AND JAPAN)

- What are the four layers inside the Earth?
- What are tectonic plates?
- How do earthquakes occur?
- Name a famous earthquake event
- How are volcanoes formed?
- Name a famous volcanic event
- What are the impacts of living underneath a volcano?

Fieldwork (7) - Spr 2 (NORTH DOWNS)

- Which counties are the North Downs located in?
- What type of landform are the North Downs?
- How have humans impacted the North Downs?
- What methods did you use to collect your data?
- How can we mitigate the human impact on the North Downs?

Place (5) - Sum 2 (Thorpe Park)

- Where is Thorpe Park?
- Do you know the different routes to get there?
- What are the physical features of Thorpe Park?
- What is the environmental impact of Thorpe Park on local communities?
- How can you navigate around it?
- How does Thorpe Park compare to another World theme park?

GEOGRAPHY
