

Because Carers Count: Free Training

**Do you work within Surrey's
Communities and would you like to
better understand
who unpaid carers are, how to
identify them and the support available
to them in Surrey?**

Supporting unpaid carers improves outcomes for Carers, their Cared for and professionals working with them. This training is suitable for anyone working or volunteering within Surrey's communities.

Following this training you should:

- Understand who unpaid carers are.
- Be better equipped to identify unpaid carers.
- Understand the role unpaid carers provide within our communities.
- Understand why identifying unpaid carers can support you, them, and the cared for.
- Know how Action for Carers Surrey supports unpaid carers.
- Understand the referral process.
