

How to make a booking on Teeny/Funzone

Step 1.

Log into your Scopay app as normal.

Select Book Sessions

Step 2.

This will then take you to the calendar where you can select the day you would like to book.

Please note: You cannot book individual sessions from this menu this selects the day only.

A box will appear around your selected day.

Order Session

Step 3. From this screen you will open the drop-down menu. Using the arrow on the right. The choices appear at the bottom of the screen. Make your choice.

Step 4. Once you have chosen the session, select the same from the coloured boxes in the middle of the screen.

Step 5. If you wish to make another selection **you must** change the drop-down button at the top of the screen and repeat steps 3 and 4.
