

Dear Parents,

This Week, pupils at Ash Grange have seen and heard performances from teachers from Surrey Arts. Surrey Arts provide music lessons throughout the week at Ash Grange Primary School. There are several teachers providing lessons on clarinet, saxophone, flute, guitar and ukulele. From September, we will have several spaces available for new starters. To sign up, please register your interest here - [SpeedAdmin](#)

Group and Paired Lessons

For complete beginners learning as a pair or group is a brilliant way to start a musical journey. Children can develop ensemble skills right from the start, you can learn with a friend, and it's also cost effective. Later-on in their development when they're comfortable with the basics, children can then opt for individual lessons. If you would like to discuss your child's individual needs in advance of signing up, please feel free to contact us. Group lessons start at £6.90 a lesson.

Remissions and Financial Assistance

All pupils, no matter their background or financial situation, can learn an instrument with us. Full details of concessions and financial assistance can be found here: [Apply and pay for children's music lessons - Surrey County Council](#). We are also pleased to offer bursaries via Surrey based charity, [The Cheryl King Trust](#), please see their website, or send us an email to find out more.

Instrument Hire

Details of our competitive instrument hire costs can be found here, [Instrument Hire – Surrey County Council](#), prices start at **£24.20 per term** (depending on instrument, and subject to availability).

If you have any questions relating to the above, our music administration team will be pleased to help: surreyartsmusic@surreycc.gov.uk

Best wishes,

Surrey Arts
